Furnace or Boiler Precision Tune Up for only \$129

- **Guarantee – if you have any issues with your system during the same season we performed our tune up, we will credit back the \$129 toward any necessary repairs.**
- All Tune Ups include a written report with safety and efficiency suggestions if appropriate.
- All furnace and boiler tune ups will include the above along with a visual inspection of the heat exchanger and a flue gas analysis to ensure the system is running safely and efficiently.
- Note: This is not the same as a furnace or boiler certification.

Bonfe Bucks are eligible to be used towards heating, air conditioning, plumbing, electrical, drain cleaning, and home energy efficiency testing. May not be used towards trip fee.
